**THIS WEEK:** West Hawai'i  
Community Health Center

This week our program will be presented by Jasmin Kiernan from WHCHC (West Hawaii Community Health Centers).

The first center open its doors in January 2005 and has grown to serving West Hawaii with four centers. Today, WHCHC is an integral part of West Hawaii providing quality, affordable health care to residents regardless of their ability to pay for services. West Hawaii Community Health Center serves the West Hawaii communities on the Big Island from Kawaihae to Hawaiian Ocean View Estates (covering 80 miles of coastline, roughly twice the size of Oahu, with 60,000 residents).

Welcome Jasmine!

## Meet N Eat

Our first Community Service Project for the 2016 - 17 Rotary Year took place last Wednesday, in place of our regular breakfast meeting. Thanks to Mike F and Mike M, arrangements were made to have the VFW prepare the main course for the weekly "Meet N Eat" that takes place every Wednesday evening at the Kealakehe Intermediate School Cafeteria. Our members and guests, along with several individuals from YWAM (Youth with a Mission) helped to serve the meal to many families in the local community.

The spaghetti was very well received, and many came back for seconds! Many happy faces on the children (and adults) as they made their way down the line to enjoy a variety of other dishes and desserts.

Great evening!
