“Death by Dessert” is the title of the upcoming Murder Mystery Event, to be held on April 1, 2017 at Hale Halawai beginning at 6:30 pm. Chairs of the event are Bernice Barnett and Ann Goody - and it is going to be an evening of great “friend raising”. Tickets will be available soon - the cost is \$20 per person.

Safe Travel wishes from all of us to *Mike Fraser*, who leaves Wednesday evening for Myanmar and Taiwan. The trip is for two weeks, the purpose of which is to do a hands on literacy and educational project in each country.

THIS WEEK: Community Policing

Our guest speaker this week is Office Scott Dewey, from the Community Policing division of the Hawai'i County Police Department.

The mission of Community Policing is “To form a partnership with the community in order to create a safe and secure environment.”

Community Police Officers are responsible for developing partnerships within the community in an effort to create a safe and secure environment. This can be accomplished through community mobilization, crime prevention efforts and problem solving (i.e., Neighborhood Watch, Citizen Patrol, etc.). Through mobilization, Community Police Officers can facilitate a community's efforts to create positive changes within their neighborhood.

Welcome Officer Dewey!

## 2017 Rotary Theme announced

### 2017-18 RI President Ian H.S. Riseley announces his presidential theme, *Rotary: Making a Difference*

Rotary International President-elect Ian H.S. Riseley made the case on Monday that protecting the environment and curbing climate change are essential to Rotary's goal of sustainable service.

Riseley, a member of the Rotary Club of Sandringham, Victoria, Australia, unveiled the 2017-18 presidential theme, *Rotary: Making a Difference*, to incoming district governors at Rotary's International Assembly in San Diego, California, USA.

Environmental degradation and global climate change are serious threats to everyone, Riseley said. "They are having a disproportionate impact on those who are most vulnerable, those to whom Rotary has the greatest responsibility. Yet environmental issues rarely register on the Rotary agenda," he said.
