## There is a lot Happening in D5000!

Here are some very important items and some clarification that I would like to make sure everyone is thinking about:

**The Council on Legislation ruling about MEETING FREQUENCY did not intend for our clubs to drop to 2x monthly meetings.** The amendment was made to provide meeting flexibility if you have another full-club activity planned during the same regular week. IE: A fundraiser, a full-club community service event, a social/mixer, a vocational tour, or another board of directors sanctioned non-business meeting. If you do elect to cancel a meeting, please make sure that your website, Facebook page, and the D5000 website are updated to reflect your schedule. **Questions? Feel free to call me directly.**

**D5000 Conference - Kaanapali Maui:** Don't forget to register for the District Conference on May 19-21 at the Kaanapali Maui Sheraton: <http://rotaryd5000.org/event/2017-district-conference--sheraton-maui-kaanapali/>

**Foundation Dinner Registration** is OPEN! You will not want to miss this fun-filled evening of fun and friends. [For more information and to register, click here.](#)

Keep up the great work on the Polio Champion Challenge - and make Membership our Priority #1!! Let me know if I can be of service to you in any way!

Yours in service,

*Clint*
