**THIS WEEK: MORNING AT THE MOVIES**

Early in the morning may not be the usual time to watch a movie, however today will be an exception to that as we premiere “THE FINAL INCH” . Our club is the first to view this video, so please join us to become more educated on the final efforts to eradicate Polio from the earth! (Note: Popcorn is optional.....)

Special thanks to KTA for the HUGE donation to “DING DONG DINNER DITCH”!! The eggs, milk and bread helped to complete the Christmas Dinner boxes that were delivered to families who truly appreciated them.

## January is Vocational Service Month

What is vocational service? If you are an active, engaged Rotarian, you probably view vocational service as a way of life, even if you find it difficult to articulate a clear definition. The Vocational Service Handbook can help you gain a better understanding of vocational service and equip you with ideas to help you practice it through your club activities and in your career.

### The concept of vocational Service

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian's occupation as an opportunity to serve society

As a Rotarian, how can you put these ideals into action? Consider these suggestions:

- Talk about your vocation in your club, and take time to learn about fellow members' vocations.
- Use your professional skills to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your own words and actions.
- Help a young person achieve his or her career aspirations.
- Guide and encourage others in their professional development.

If you do any of these things, you are performing vocational service. And if vocational service motivates and energizes you, then you're in the right place, because vocational service is the very essence of Rotary. It is what sets Rotary apart from other service organizations.

The chair for Vocational Service in our club is Barbara Kossow.
