Today is the last meeting of the 2016 - 2017 Rotary year! Congratulations to President Dennis, the Board of Directors, and all club members for an outstanding year! On Saturday we will be having a celebration of the years accomplishments at the VFW, beginning at 5:30. Please bring a dish to share with everyone, and come prepared to have a wonderful and joyous evening!

Next Wednesday, although we won't be having our regular meeting, we will be participating in Meet N Eat at Kealakehe Intermediate School. Please plan to join us, from 5:00 to 7:00, to nourish local residents both with food and friendship!

From all accounts, the recently held Rotary International Convention in Atlanta was an outstanding success - celebrating 100 years of doing good in the world! Registration is already open for the 2018 RI Convention to be held in Toronto, June 23 - 27th.

## From President Dennis...

*Aloha RCKS and friends,*

*This year began with a goal of Embrace, Engage and Enjoy Rotary. Our club did exactly that with energy and commitment to Rotary Serving Humanity.*

*The biggest step a Rotarian makes is marked by his or her "Rotary moment". For one of our members it was putting Polio drops in a child's mouth; another hearing the sound of water begin to rise in a recently drilled well bringing sanitation to school children in Kosovo; for me it was more than a moment, it was a "year" of trust and support as the President of the Kona Sunrise Rotary Club. Our successes began with the increase in club attendance followed by outstanding results of a first time fundraiser "Pig N Swig", the brain-child of a charter member and creative Rotarian. Partnerships were formed with VFW Post 12122 and the 25 year old Meet and Eat program. Sponsorship of A Peace Scholar resulted in the award of the recognition of her being one of the only one hundred awarded in the world. A beautiful good bye to a loved and respected Rotarian marked our biggest challenge making our club that much stronger.*

*Mahalo for my BEST Rotary year (moment)*

*Dennis Rast*
