THIS WEEK: The Rotary Foundation

Our guest speaker this week is club Rotary Foundation Chair, Bev Fraser.

Bev will present information about the 100th anniversary of TRF, along with how the Foundation funding helps our club with a variety of projects. She will also discuss the End Polio Now campaign, and update the club on our goal and standing in the District.

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise into **our priorities**, such as **eradicating polio** and **promoting peace**. Foundation **grants** empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact. Strong **financial oversight**, a stellar **charity rating**, and a unique **funding model** mean that we make the very most of your contribution. **Give** and become a part of Rotary's life-changing work!
